

## Please Read:

# APA SHOW REPORT INSTRUCTIONS

**Please fill out the report completely.** The APA office will determine the exhibitor's membership status. A complete report is needed to ensure that Master Exhibitor points can be properly allocated. **Please include a complete list of exhibitor names and addresses.** The exhibitor name is sufficient on this report if an alphabetical exhibitor list is included. If exhibitors are listed by exhibitor number, please include their number along with the name on the report.

**Information on the open and junior awards is furnished with the show report and Associate Membership packet.** If the Junior Show is a separate show, applicable junior awards should be awarded and winners indicated on the show report. If Junior birds are part of the open show, they may compete for APA Junior Awards if the show management arranges for judges to choose winning birds from among the junior exhibits in the open show.

**The numbers to be provided for classes and divisions are for the number of birds actually judged, not the number of birds entered.** Numbers are important for determining Master Exhibitor points. Please note that we ask you to report class champions and reserve class champions well as division champions and ,in some cases reserve division champions (large chickens, bantams, ducks, geese, guinea fowl, turkeys) as well as champion trios, landfowl and waterfowl champions, and show and reserve show champions. It is important to report the number of trios shown if trios are in competition. Please also note that there are check box columns to the right for each Class Champion where **higher awards should be indicated by checking the appropriate box(es).**

**For the purpose of this report:** C=Cock, Old Drake, Old Gander or Old Tom; H-Hen, Old Duck, Old Goose or Old Hen; K=Cockerel, Young Drake, Young Gander, Young Tom; P=Pullet, Young Duck, Young Goose, Young Hen

**Please complete this report and send to the APA Points Coordinator (address below) within 30 days of the show.**

**The report is due in 30 days and if not filed within 90 days, the club will lose their APA sanction for one year as stated in our show rules. If the show report is not received within 6 months of the show, it will not be processed.**

Please mail to the address below or email by clicking the submit button at the end of the report
