About American Poultry Association Yearbook

The APA Yearbook is sent out annually to all members of the American Poultry Association, APA poultry judges, poultry product vendors and to breed specific poultry clubs and their members.

APA Yearbook is reaching your best customers

The APA Yearbook is the only publication of its kind and caters to standard-bred poultry breeders and exhibitors.

Your ad will be seen by all club members and vendors and has a passdown rate of 2.5. The yearbook is considered a collectable book by members and is kept over the years and used as a reference for poultry products and services.

Acceptable File Types

All ads must be sent in at press resolution or greater (300 dpi) with all fonts embedded. Adobe Photoshop files must be flattened and saved as 300 dpi CMYK jpeg or pdf files. All spot colors must be converted to CMYK. Photographs placed in black and white ads look best if they are high resolution and converted to black and white. Always proof your ad first. The APA is not responsible for spelling errors in ads.

File Submission

All ads can be submitted digitally and also through the mail. Mailed ads need to be high resolution at least 300 dpi. Ads can be emailed to secretaryapa@comcast.net. Contact us with any questions or problems.

Need help with your ad? Ruth Caron has volunteered to help out people placing full page ads. Please contact her early since it takes time to create ads and a last minute rush could slow things down. She can be reached at carondesign@yahoo.com or on Facebook.
