### **JOINT APA/ABA SHOW REPORT INSTRUCTIONS**

The APA/ABA organizations have combined their show report to one to help alleviate the hard work of all show staff at sanctioned shows by both organizations.

Please fill out the report <u>completely</u> and mail to the APA address on the form. NOTE: The American Bantam Association WILL receive the data too. Both clubs are working together on this venture.

The APA/ABA office will determine the exhibitor's membership status. A complete report is needed to ensure that points and starred wins can be properly allocated. **Please include a complete list of exhibitor names and addresses.** 

The numbers to be provided for classes and divisions are for the number of birds <u>actually</u> judged, not the number of birds entered. Numbers are important for determining points/starred wins accordingly. Please note that we ask you to report class champions, reserve class champions, division champions, reserve division champions (large chickens, bantams, ducks, geese, guinea fowl, turkeys), champion and reserve champion trios, champion and reserve champion displays, land fowl and waterfowl, and show and reserve show champions. It is important to report the number of trios shown if trios are in competition and the number of displays shown.

**For the purpose of this report:** C=Cock, Old Drake, Old Gander or Old Tom; H-Hen, Old Duck, Old Goose or Old Hen; K=Cockerel, Young Drake, Young Gander, Young Tom; P=Pullet, Young Duck, Young Goose, Young Hen

Please complete this report and send to the address listed below <u>within 30 days of the</u> show.

The report is due in 30 days and if not filed within 90 days, the club will lose their APA sanction for one year as stated in our show rules. If the show report is not received within 6 months of the show, it will not be processed.

Please mail to the address below or email listed.
